

CYCLING TOUR SUGGESTION FROM HOTEL MÜNCHWILEN

FROM WEINFELDEN VIA BISCHOFZELL TO WIL

SHORT DESCRIPTION

Along the Thur to the rose town of Bischofszell. From the hotel, head towards St. Margarethen and follow Route 33 (towards Frauenfeld) for approx. 2 km to Lachen. There, turn right onto Route 41 and follow this via Weinfelden (here it is worth taking a detour into the small town and vineyards) to Berg TG. In Berg, follow the signposts to Bürgeln/Istighofen. From here you cycle along the Thur

via Schönenberg to the town of roses, Bischofszell. Visit the historic old town. From Bischofszell, take route 5 along the Thur to Wil. Here, too, it is worth visiting the old town and the Stadtweiers (without the „h“) just below the old town. You can reach Münchwilen from Wil in approx. 15 minutes.
